2. Identify your Legislators: Type in your mailing address and learn who your legislators are: <http://www.legis.state.pa.us/cfdocs/legis/home/findyourlegislator/>

3. Learn all you can about your legislator: check their website, facebook, press releases, legislation they have introduced or co-sponsored, committee assignments and leadership positions.

4. Write a Note – send a note introducing yourself to your legislator – yes, even if you did not support them in the election.

5. Schedule an introductory visit – in your district office. Begin to cultivate a relationship with your legislator. You will often be able to see your legislator rather than a legislative aide.

6. Tell your Story as a person of faith whenever you meet, call or write to them so that they know you represent a progressive religious voice.

7. Check out the Strategies in the Indivisible Guide: A Guide for Resisting in the Trump Era - <https://www.indivisibleguide.com/>

8. Join UUPLAN and sign-up to get our e-newsletter and Action Alerts: <http://www.uuplan.com/>

9. Select a UUPLAN Justice Team and participate in the monthly conference call: Anti-Mass Incarceration, Economic Justice, Environmental Justice, Good Government, Gun Violence Prevention, Immigration Justice, LGBTQ Equality, or Reproductive Justice.

10. Make that Call – when you are asked to participate in an Action Alert, do it right away. Disrupt their office! Legislative offices take notice when 10-20 calls come in on the same day about the same topic.
