The last page of this message is a reply form. Please provide your feed-back by “copying and pasting” that page (with your info!) into your email message and send to [2HersheyIndivisibleTeam@gmail.com](mailto:2HersheyIndivisibleTeam@gmail.com) . Be aware that all formatting of the form will be lost when you paste the page into your email message but the information you provide will be there for whoever needs to get it. If you want to cut out sections that do not apply to your response that is fine, too.

## Bus Trip to DC for the Environmental March

The Environmental March on Washington DC is planned for Saturday, April 29<sup>th</sup>, and we would like to arrange for a bus to take just our group. Unfortunately, I had created that PowerPoint slide for that trip but somehow did not notice that it was “hidden” so it never displayed and I never presented it. Technology is only as good as the technician using it! So the details (based on the January Womens’ March) are:

**Coordinator:** Bob Naeye  
**Approximate Cost:** \$50  
**Depart Hershey K-Mart:** 6 am  
**Arrive Hershey K-Mart:** 7-8 pm

First come, first reserved!

Bob is still researching the bus company to use so, if you let us know you are interested, you will be notified as soon as that is determined. Payment must be received within 5 days of notice of the bus company name to hold your reservation. A wait list will be maintained for overflow or for emergency cancellations. Refunds can't be made unless a substitute can be found. It would be the responsibility of the person having the reservation to contact names on the reserve list.

This will be another fun way (besides Troegs) for us to get to know each other and build our community. See last page of this document to let us know you will join us.

## Arm Bands

The band I showed at the meeting is definitely a wrist band (although the web site calls it an arm band), which would be totally acceptable for those who would like a wrist band or have a smaller upper arm. We will offer a white wrist band (\$3) or a rainbow head band (\$4) which can be shortened to make an upper arm band or which would even work over a winter coat if left slightly larger. The rainbow head band can be seen at:

[https://www.suddora.com/products/rainbow-head-sweatbands?ref=yotpo\\_94](https://www.suddora.com/products/rainbow-head-sweatbands?ref=yotpo_94)

Badges will be 2" wide and slightly longer than 2" for approximately \$3-4. The badges will NOT be iron on. Iron on transfers will also be available without charge but they are not as nice as a badge would be. Please order by March 15<sup>th</sup> so we can place the orders.

## Twitter Tutorial

We all have watched the world turn on its head over the last two years so no one will deny that Twitter has played and continues to play a major role in our world. It just may be time to fight fire with fire! This is the wave of the future and we need to get on top of it. Come learn in the company of others (who also never thought they would want) to learn what the Twitter Tweet is all about. You can use the last pages of this message to share your interest in this workshop.

## **Tee Shirts**

Sorry, I totally neglected to show off Phil Jurus' #RESIST tee shirts, and did not provide sufficient directions for ordering either his or Deb's version. Both of these shirts offer great options to show your values and encourage others to follow your lead. And when we have events on the Square or go to events, we will be noticed even more.

Phil's shirts are available in black and white. If you prefer that design, please use the order form at the end of this message. We do not have a price for that at present but we will refund the difference if it is less than \$12. A number of folks expressed interest in Phil's design so please let us know your interest. Sorry to Phil not properly sharing his good work. There is just too much to keep on top of everything. So sorry!

If you are interested in the shirt with our logo, please send a check (Deb is doing this separate from HIT so she will accept/prefer checks.) The order form from the meeting is available at the end of this document as well as Deb's mailing address. She will pin the order form to the shirt when the shirts arrive so there are no mix ups and will attempt to have them available by the April 12<sup>th</sup> meeting (depending on the number of shirts ordered).

Both Tee Shirts will serve as a fund raiser.

## **Meeting with Rep. Mehaffie**

After Anita's great presentation, Lobbying 101, it is time for us to start to put her skills into practice. While this will not be a private meeting with our new Rep, it will be a wonderful opportunity for each of us to share our favorite issue and practice the diplomatic techniques Anita discussed. Anita has also graciously agreed to share her presentation with the fantastic statistics she included on our web site (under Members Area: Printable Documents) and on our Facebook page (under Files). Also, look for her handout if you were not able to attend. If you would be interested in our private Town Hall with Rep. Mehaffie, please let us know by using the feedback at the end of this message or simply reply to [2HersheyIndivisibleTeam@gmail.com](mailto:2HersheyIndivisibleTeam@gmail.com).

## **Tabling events**

Over the summer months, there are many opportunities to set up an informational table at community events. If you or your Issues group would like to staff an informational table, please let us know and we will try to obtain a spot.

## **Banners**

When we have events, it is critical that we let people know who we are and why we are doing what we are doing! We will be looking into banners and if there are folks who would like to jump in and take control of this important function, we would really appreciate it.
